

BICAR™ Sodium Bicarbonate

Statement of Halal Status BICAR™ Sodium Bicarbonate

Although not certified as Halal, as presently formulated, Solvay Chemical, Inc.'s BICAR™ Sodium Bicarbonate products do not contain any ethyl alcohol or ingredients of animal or plant origin. The processes used to manufacture these products also do not use ethyl alcohol or any materials of animal or plant origin.

Use of Solvay Chemical products for food applications should follow appropriate guidance and regulations such as are found in, but not limited to, 21 Code of Federal regulation (21 CFR) and USDA publications.

To our actual knowledge, the information contained herein is accurate as of the date of this document. However, neither Solvay Chemicals, Inc. nor any of its affiliates makes any warranty, express or implied, or accepts any liability in connection with this information or its use. This information is for use by technically skilled persons at their own discretion and risk and does not relate to the use of this product in combination with any other substance or any other process. This is not a license under any patent or other proprietary right. The user alone must finally determine suitability of any information or material for any contemplated use in compliance with applicable law, the manner of use and whether any patents are infringed. This information gives typical properties only and is not to be used for specification purposes. Solvay Chemicals, Inc. reserves the right to make additions, deletions or modifications to the information at any time without prior notification.

Trademarks: Trademarks and/or other Solvay Chemicals, Inc. products referenced herein are either trademarks or registered trademarks of Solvay Chemicals, Inc. or its affiliates, unless otherwise indicated.
